# FROM THE SECRETARY

## My greetings to all the Club members!

Each month, each season gives us reasons to revel in the joy of a festivity, to come together and celebrate in the bosom of our great Club. Sometimes we conjure up a reason ourselves. Events, small or big, require hordes of personnel to work behind the curtains to ensure a glitch-free celebration. The same holds in the case of events held at our Club. But they need clarity of purpose; they need to know what they have to do. Let me make myself clear with the assistance of a few statistics. The event 'Tollywood Nite' that was held towards the end of the last month received 700 registrations prior to the last date of registration and an astounding 700 registrations on the last day alone, which was a day before date of the event. Not expecting so many registrations on the last day, food was ordered only for 800 people. This proved to be a major organizational hindrance. But who is to be blamed? Certainly, not the organising committee! Let us accept this episode as a lesson for the future. I request all the members to kindly register themselves for events prior to the last date so our memories of the day are not soured.

I also want to use this space to inform the about a party to be held on the New Year's Eve. And registrations for this would be closed by the 30th of December. But don't wait for the last date to register!

Some new rules that are being enforced from now on are also mentioned in the following page.

Regards.

P Phaneendra Babu  
Hon. Secretary

# A 'Nite' to Remember

It was a 'nite' to that would surely go down as one of the most memorable in the history of this Club. While fireworks illuminated the sky, the vivacious Parvati Melton and the lively Vimala Raman lit up the lawns of Waltair Club. Truly, a 'nite' to remember!

# WALTAIR CLUB LADIES COMMITTEE

The UNITY IN DIVERSITY car rally for Waltair Club members was organized by the Ladies Sub-Committee on 18<sup>th</sup> September 2011. The event had a very encouraging response with total of 30 cars participating in it. The event began with a word building game using the letters in the phrase "UNITY IN DIVERSITY" while registration was going on. Each team was given snacks, soft drinks and water bottles.

The first car was flagged off by the President of Waltair Club and the second car by the Honorary Secretary. Soon all 30 cars were flagged off and the rally was off to a roaring start.

All cars were to follow one of four routes charted out by the organizers. A total of six points were designated along the route for participants to stop, complete activities there and earn points to win the rally. In keeping with the rich and varied religious diversity of our country, the six stops were a Gurudwara, a Temple, a Mosque, a Buddhist site, an ISKCON temple and a Church. Activities to be completed ranged from making a flower garland,

decorating a 'puja thali', writing Hare Krishna 108 times, deciphering a jigsaw puzzle, matching religions/organizations/faiths with their founders and finally a cross word puzzle of world famous monuments and the countries in which they are located.

The entire rally took about 2 hours and the most heartening aspect of this year's rally was that ALL cars that registered returned back to the starting point.

For the first time in the history of Waltair Club car rallies, two judges were requested to compile the points earned by the participants at each point along the rally route and announce the winners after totaling the points. The two judges who took out their time and the worked through the tedious compilation were Mrs. Ammaji Rayudu and Mrs. Usha Monish Rao. While the points were being tallied, checked and re-checked, all participating cars were presented a Reebok watch, a mini-gym bag and a cap all worth about Rs 4000. Huge thanks to the event sponsor Mr. Shekhar of M/s Michelin Pit Stop who sponsored all the participation gifts, the cash prizes and all other gifts.

The first prize of Rs. 7,000/- was bagged by Mr. P Krishnakant, Mrs. Rajiji Chitra, Mr. Shaad Mehdi and Dr. Sailesh Atmakuri. The second Prize of Rs. 5,000 was won by Mr. Atmakuri Ravi Kumar and his family. The third prize was won by an all-ladies team of Mrs. Vani Kancharla, Mrs. Jaya Narasimha Rao, Dr. Sugandhi Atmakuri and Mrs. Radhika Bodepudi. Looked like a very lucky day for the Atmakuri family since every prize winning car had someone from the Atmakuri family. A lucky coincidence for them! The best decorated car along with the best dressed team was won by Mr. Shabbar Ekhlal and family for depicting the theme to perfection. Two consolation prizes were also given. Congratulations to the Ladies Committee for a wonderful event that was meticulously planned and perfectly executed.

## SHOBHA PRASAD: LEAVING HER FOOT PRINTS ON THE SANDS OF TIME!!!

It is difficult to say goodbye to good people...especially when they have been true friends and icons to the world. The time has now come for us to say adieu to Shobha Prasad whose untimely death a few days ago is a reminder to all of us about the vagaries of time and the shortness of life. In the passing away of Shobha, we mourn the silence that is left behind after the mega celebration of life...like the silence that comes after a catastrophic tsunami...like the quietness that befalls Earth after the wild storm has passed. Her sonorous voice calling out the numbers at Tambola and her impeccable command over the English language will always come first to our mind when we remember this great soul.

The word "Shobha" means "brilliance" in Sanskrit. Truly, our friend Shobha Prasad was the epitome of brilliance and her radiance permeated our lives and every corner of the Waltair Club. In her own sweet, soft way she was the chosen leader and a unanimous member of every Ladies Sub-Committee...and a valuable player at that. Shobha would be just a call away for every creative activity and her intelligence and dedicated help made her the true pillar of many successful events in the club.

Shobha was the combination of many wonderful personalities. She was the perfect host to many a party, the smiling guardian to youngsters who were inspired by her dignity and grace, the loving mother who rocked the cradle of one of the finest cricketers the state of Andhra Pradesh has ever seen, the gracious wife of one of the most legendary sportsmen, the golden voice of many events, the energetic teacher to many a baby in her crèche, the intelligent friend to kitty group ladies, the talented cook who could turn out the best Andhra cuisine dishes and the typical Andhra daughter who brought pride and glow to women around her.

The story of life is very strange and God's will and verses of destiny will always amuse me. I always wonder at the irony of the cycle of life and death and reminiscence at the drama of the whole act. The exit of Shobha marks the end of an era of excellence and the Waltair Club will always miss her motherly touch and finesse at many occasions. For the women of the club.....we have lost a dignified sister and a beacon of light which had guided us on our journey in the past. We will always miss her warm smile and reassuring words and whenever the world talks of eminent women...Shobha Prasad will be remembered with great respect.

May her soul rest in peace and the club members and committee pray that God gives her son Kinnu the strength to bear with the loss of such a positive aura in his home.

### A Squish Branch

I hold a tree branch,  
My grip is very tight,  
A dark green squishy branch it is,  
A caterpillar's plight.

I examine the goo on my hands,  
In my head I think, "Dear me!"  
I have crushed the dreams,  
Of a butterfly-to-be,

I wash my hands with sorrow,  
The slime washes away,  
I watch the green get sucked into the drain,  
This is not a fixable mistake.  
I'm sorry, caterpillar.

## affiliated clubs

### THE COCHIN SUBURBAN CLUB

The Cochin Suburban Club located at Ernakulam was established in the year 1979 as a small time club in an unused house but with prominent personalities as members. Activities, though, began only in 1981 when the first committee took charge. With time, the club expanded and started offering better facilities to its members. The club got a huge makeover under its President Madhavan Nair who introduced swimming pools and several other facilities turning it into a club that could be compared with several esteemed clubs in the state of Kerala. Over the years, the Cochin Suburban Club has grown into a respected club with facilities like a restaurant whose tandoori food is a hot favourite, space for all major indoor and outdoor sports like badminton, tennis, and billiards apart from a grass topped play area for children, a library, two party spaces with the ability to accommodate 300 people each and a full-fledged conference room. The club's Ayurvedic Centre though, is one aspect that sets it apart from other clubs. Something that is unique about the club is the fact that it arms both husband and wife in a family with voting rights. The Cochin Suburban Club, apart from its latest affiliation with the Waltair Club, has affiliations with major clubs in India as well as countries like France, Australia and Kenya.

The Club started modestly with around 150 in a rented building but in a period of three years acquired land and shifted to its building. The Club has now expanded to about 800 with the most prominent persons of the city being its members. The Club boasts of a number of facilities which include arenas for both indoor and outdoor games. The most attractive among these would be the Tennis Courts with synthetic turfs. The facility has been applauded by players of international stature like Ramesh Krishnan. It also houses tables for snooker and table tennis. The swimming pool at the Club took about a year to complete which in itself provides an insight to the amount of effort put in to build the facility. Apart from these, the Club also has air-conditioned rooms for its members and members of associated Clubs in addition to a restaurant Punjabi and Chinese cuisine along with the local food.
