From The President's Desk

Dear Members,

Very warm wishes

As we have almost come to the end of the term and the Club is gearing up for the elections, the present committees are busy in doing their last leg of responsibilities. Snooker Competitions were held in the Club in the month of May. Grey Goose Vodka Night was organized by the bar committee on 3rd June. Beer and Biryani on June 4 and World Yoga day on June 21 will be organized in this month. An interactive session will be held on June 12 for all the contestants of the elections. Elections will be held

on June 25 and 26 followed by AGM on 26th.

We are proud to introduce the Waltair Club Mobile App and the test version has just become functional and members can start downloading the App from Play Store and App Store and revert to the office if they face any issues.

As the President of The Waltair Club for the past one year, I have good reason to express my heartfelt thanks to the Committees, Sub Committees, Editorial Board Members and staff of the Club for their tremendous support. We have accomplished much together in the last one year that passed too quickly.

The Catering Committee has done a commendable job by introducing more choice in menu, conducting regular meetings with vendors for getting better items at competitive prices. Hygiene in the kitchen is also improved to a great extent and the committee had taken up the responsibility of catering even for major events like Club Picnic, New Year eve and Ugadi.

Kudos to the efforts of Entertainment Committee which made sure that there were so many enthralling events throughout the year without a break. To name a few, Karaoke nights, Independence Eve Celebrations, Dandiya Night, Diwali Eve, Pub nights, Picnic at Sunray, New Year Eve, Retro Nights, Valentines Day, Ugadi etc were all super hit events. The Auditorium and Chambers Committee worked with a lot of commitment in giving a facelift to the Auditorium, Dining Halls, Corridors and Chambers. Lot of repair work was carried out, old linen was replaced in the rooms, suite room was renovated and a powder room was constructed for the convenience of the room guests. The Library Committee came out with lot of innovative initiatives right from story telling sessions, spell bee and recitation competitions, Quiz, painting competitions, talks by eminent experts in different fields, foreign language classes and what not. Some good books were added to the collection in Library.

The Bar Committee presented a 'highly spirited' year to entertain the members. Apart from offering best liquor at best deals, the committee also organized very entertaining events like Pub nites, Foot Loose, Tollywood nite, Hollywood nite, etc. A new Ice Cube Machine is installed for the convenience of the members. This year the Sports Committee had gone an extra mile in offering more sports activities for members and children. Regular Yoga classes and Dance classes are being conducted. The main highlight was The Waltair Club Annual Sports Meet in which different sports competitions were conducted for different age groups. The General Services Committee also did a commendable job by bringing about so many changes for the convenience of the members which are evident and well appreciated by every one.

The Ladies Committee has done a fabulous job by organizing a variety of events like workshops, children's day, exhibition, Christmas party, sports day, staff day and car rally. The editorial board has made 'Waltair Times' more appealing and gave good coverage of all the events in the Club. Last but not the least, the staff of Waltair Club supported me in all my endeavours.

Finally I would like to thank each and every member of this prestigious club and express my appreciation and gratitude for allowing me to serve as the President for 2016-17. I have enjoyed every single minute and learnt a lot. I am quite happy and content with all that we have achieved.

I would like to thank my family members for their unconditional support during my term.

I am looking forward to handing on the baton to new leadership and wish the incoming board every success.

With regards

A. Satyanarayana
