## From The President's Desk

Dear Members,

Warm Wishes!

In The Waltair Club, a series of events took place this month to entertain the members. It started with The Waltair Club Volley Ball Premier League held on 8th and 9th February. Six teams participated with great enthusiasm and sportsmanship. The Waltair Club Cricket Premier League was held on 25th and 26th February. The five participating teams played with lot of ambition and aggression. Audience witnessed the brilliant performance by the teams. They thoroughly enjoyed watching the matches along with drinks and special menu. The matches had been scheduled in the evenings with ample facilities.

The Ladies Committee conducted Car Rally on 19th February. Participants with over 20 cars in all, were flagged off from the Club premises, each team armed with some clues and fun activities to be done. All in all it was a fun rally.

The Entertainment Committee organized an event on Valentine's Day themed "Red Affair". The entire place, beautifully draped in red and foot tapping music created an apt atmosphere for couples to enjoy the evening. Another entertaining event at Club was Seagrams Musical Night. The musical band sent audience into raptures with their mesmerizing rendition. Another musical event "Bollywood Night" was a Karaoke Night in which members actively participated singing melodious tunes and dancing the night away to the beats of the DJ.

We are happy to announce that a special menu is introduced for weekends at 2010 Restaurant and hope the members would appreciate it. As we have two big festivals coming in this month, Holi and Ugadi, I wish all the members a very happy and safe Holi and a very successful new year. With summer setting in and the so called 'examination fever' in the air, it is very important to keep 'cool' to handle the situation. Wishing you all once again a very happy Ugadi.

With Warm Regards,

**A. Satyanarayana**

## Waltair Club Grand Prix

The Car Rally conducted this year by the Ladies Committee, on the 19th of Feb, 2017, was different and unique. There were no designated routes, there were no Marshals, there was no specific order in which the given tasks had to be completed. What was pre-defined was a well thought out system and structure on the scoring pattern to figure out the winners of the race. It was a fun rally with really simple tasks like collecting a few commonly found things, taking pictures or selfies of/at various places and completing simple tasks.

Enthusiastic participating teams registered themselves well within the time limit that was announced, after which they were handed over their kits. A thorough briefing of the rules and regulations pertaining to the rally was given. The Rally was flagged off by the Club Secretary Mr Vamsi Kishore. 23 cars participated, under various combinations – all ladies, family car, romantic couple, all friends etc.
